

Ghyllgrove Community Primary School

Ethos and Values

At Ghyllgrove Primary School children come first and our priority is to deliver high quality teaching and learning whilst at the same time providing rich and enjoyable learning experiences for our community of children. Everything we do as school is to ensure that the children achieve their very best. We are deeply aware that children only get one chance at their primary education and it is our job to ensure that they all reach the highest levels of personal achievement and development.

At Ghyllgrove Primary School we will strive to:-

- Provide a secure and stimulating environment that is conducive to all children having the opportunity to reach their full potential.
- Have regard and respect for the experiences, knowledge and cultural diversity that every child brings to school.
- Value the achievements of all children, both in and out of school and provide opportunities to develop self-confidence and a positive self-esteem.
- Provide a supportive culture in which all staff are encouraged to extend, develop and share their expertise.
- Ensure that issues of equal opportunities are considered in all our work.
- Provide a curriculum base that is broad, balanced, relevant, progressive and appropriately differentiated.
- Offer all children equal access to the curriculum and school life in the community where individual differences are appreciated, celebrated, understood and accepted.
- Encourage children to become good citizens, by developing caring attitudes and respect towards themselves, other children, adults, their school and their community.
- Recognise that children are constantly developing and ensure that the curriculum offered to them is appropriate to that development.
- Encourage each individual to take responsibility for his/her behaviour and to act as a good role model to others.
