Is your child in Years 3 to 6?
Looking for the next step on their musical journey?

Our Juniors Programme has 10 weeks per term across the school year in your local Community Music Centre.

Children come together to learn instruments in groups, singing and affirming the great musical teaching they get in their school, as well as making new musical friends!

Join us in our centres in Benfleet, Brentwood, Chelmsford, Colchester and Harlow to support your child's next steps on their musical journey and to develop their learning beyond the classroom.
