Deputy Headteacher: Mrs L. Morley

14<sup>th</sup> October 2022

Dear Parents/Carers,

## NEW: 1 Minute Maths App

We would love to share a wonderful new Maths App with you called '**1 Minute Maths**'.

This is a FREE App which will help to develop children's confidence, accuracy and speed when working on the following areas of Maths:

- Subitising (recognising numbers shown visually)
- Addition
- Subtraction
- Multiplication
- Division

The 1 Minute Maths App can support children of all ages to develop these essential skills, upon which, many other mathematical concepts and knowledge is built upon. We recommend short bursts of practise on a daily basis are more effective than spending hours once a week.

You can download this App, for FREE, onto any SMART or Android device by visiting 'The App Store', 'Google Play', 'Amazon Kindle' or clicking on the link below.

- <https://whiterosemaths.com/1-minute-maths>

We know that you will all be keen to continue supporting your children at home with their Maths learning and if you have any questions, please do not hesitate to contact me or your child's class teacher.

**Mr D Collins**  
Mathematics Lead
