

# Starting School

A Day in Reception

twinkl

Welcome to Class 2!  
My name is  
Miss McKeon and I will be  
your teacher in September. I  
have been a teacher at  
Ghyllgrove for 15 years.

**All about me:**

- My favourite colour is pink
- I love to exercise; especially running.
- My favourite animal is a camel
- My favourite foods are chocolate, strawberries, grapes, watermelon and mac and cheese!

I am so excited to find out what things you like!

This is Mrs Webb. She is the class learning assistant and is here to help you when you are at school. Together we will have lots of fun and learn new things!

This is Mrs Tidiman and Mrs Morley.  
Their job is to look after us and make  
sure we are all learning and working  
hard.

Sometimes they will visit our classroom  
to see what we are up to; you can show  
them your work or talk to them about  
your day. You will also see them in  
assembly sometimes – they might even  
give you a special certificate when you  
have been working hard!

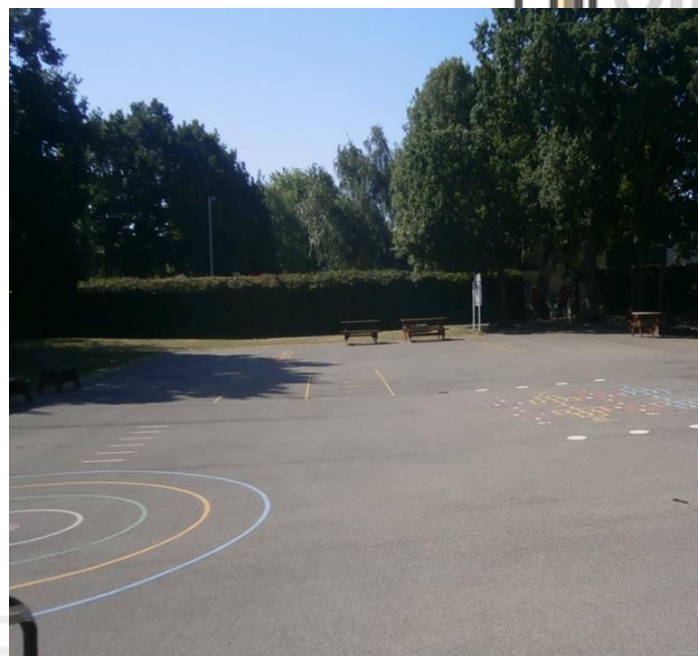

This is Mrs Patmore and Mrs Briggs.  
Their job is to look after us and make  
sure we are all learning and working  
hard.

Sometimes they will visit our classroom  
to see what we are up to; you can show  
them your work or talk to them about  
your day. They might even give you a  
special sticker when you have been  
working hard!

When you come to school in the morning, you need to walk across the playground, across the red line and stand in a line with your friends. I will be there to see you and talk to you and walk you in to the classroom.

When you come into the classroom, you will need to take off your coat and hang it on your peg. Each child in our class has their own peg. You can put your PE bag on your peg too.

Once you have hung your coat up and put your book bag away, you will then sit at a table and complete an early morning work activity. This will be different everyday and might be building, drawing, numbers, reading or writing!

Our next job is to do the register. We sit quietly at our tables for this job. I will read out a list of all the children in our class to see who is in school today. When I say your name, you will say “good morning Miss Mckeon” to let me know you are in school.

We then all sit on the carpet and start our learning! I will talk to you about the day and show you our class timetable so you can see all the wonderful things we will be doing.

There are lots of things for you to explore – let's take a look!

In the classroom, there are lots of things for you to explore and help you with your learning.

There are lots of  
fun things for  
you to explore  
outside too.

Our C  
Rule

After our morning learning time, it is lunchtime.

There are lots of people to help you at lunchtime so remember to put your hand up in the hall, or talk to a grown up when you are playing outside.

After you have eaten your lunch in the dinner hall, you will go outside to the garden to play with your friends.

You will make lots of new friends when you start school!

After lunch, we will do the afternoon register and carry on with our learning. There will be lots of activities for you to complete in the classroom and in the garden!

Sometimes we  
sometimes go outside  
to the playground to  
play. We also do PE  
outside when the  
weather is sunny!

Will you  
play inside  
or outside?

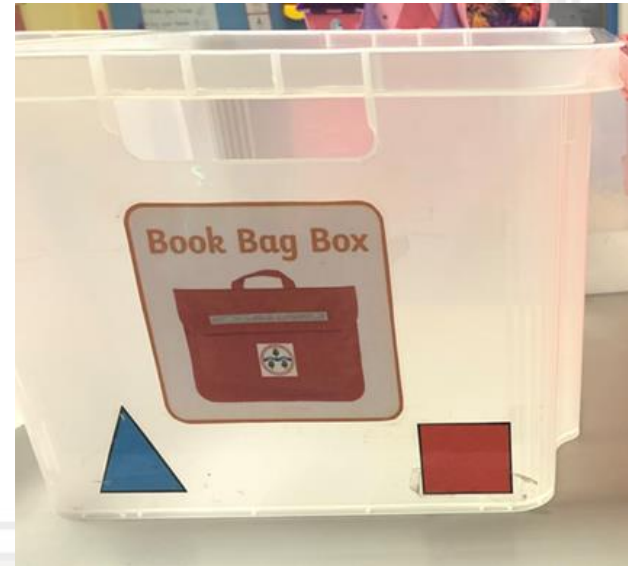

Just before it is time to go home, we sit together on the carpet and talk about all the fun things we did today.  
We will also have a story together everyday!

When it is home time, we put on our coats and collect the things we need to take home.

We will then line up and walk to the playground to go home.

Phew! What busy days we have in Class 2!

We are looking forward to seeing you soon and we can't wait to show you around our classroom.

We are so excited to see you all in September!

Miss McKeon and Mrs Webb 😊
