### School Website/Twitter

Dear Parents/Carers,

In order to make the most of the school's website and twitter, photographs which contain images of the children may be included with the content (only with parents/carers permission). To allay any concerns parents/carers may have about this, the school will follow a strict policy regarding use of such photographs, as advised by Government guidelines:

- Children in photographs will not be identifiable by name, i.e. there will not be any captions containing the children's names alongside photographs.
- If a child's name is mentioned elsewhere (for example, because of some work that is displayed on the site) only the first name will be used and it will not be linked to any photograph of the child or any other personal details.

I hope any concerns you may have are met by the above points.

Yours faithfully

Mrs R. Tidiman  
**Acting Headteacher**
