

PAWS Consent Form

Parental Consent for Photo's and recordings

PAWS Club follow the Early Years Foundation Stage Framework, enabling the children to access the curriculum out of regular school hours. All children are encourage to build on the skills taught in school to continue their learning. Photos and video recordings may be used to evidence the children's learning within club, which may be used for displays or the PAWS section of the school website, therefore consent is required.

I do/do not give consent for my child to be photographed and/or recorded

Signed.....Parent/Guardian

I do/do not give consent for images and recordings of my child to be used on the school website

SignedParent/Guardian

Parental consent for the administration of medicine

In the event that a child needs medicine to be administered whilst being cared for at PAWS Club the child must administer their own medication but will be supervised by a member of the Club's staff. Any medication must be clearly marked with the child's name.

I give consent for (name of child)..... to be given emergency treatment if needed or for the Club to seek medical advice where appropriate.

Signed:.....(Parent/Guardian)
