Our Learning Challenges explained.

Try a new recipe
or add in
different colours!

Find a tricky jigsaw
in your home and
keep working on it!

Use whatever
recyclable items you
have to build and
create!

Use your hand to trace your
fingers or put a teddy on your
tummy. Enjoy watching your
deep breaths!

Make up your own
exercise class or
follow one online!

Use your toys to
create a world of
your own and play!

Spot birds and
animals outside.
Identify them and find
out their real names.

Practice fastening
your coat, buttons or
tying your shoelaces!

Use a game in your
house or create your
own board. Make your
own rules and play!

Search for the items
sent on the
scavenger hunt list!

Look at old pictures you
have. Discuss what you
were doing, how you
felt and funny stories!

Blindfold yourself and let
your adult feed you small
amounts of food. Can you
guess what it is?

Draw pictures, write
letters and keep it to
open when you're
older together!

Use a torch or the
sunlight to cast a shadow
of a toy on paper. Draw
round the shadow.

Use newspapers,
magazines, etc. to cut out
different parts of the body.
Stick them together and
make a silly character.

Enjoy a different type
of messy play, using
whatever you have in
your house!
