

Ghyllgrove Primary School- Ethos Statement

At Ghyllgrove Primary School, we are committed to creating a nurturing, inclusive and inspiring environment where every child is valued, supported, and encouraged to thrive. Our ethos is built upon a strong foundation of core values that guide our actions, relationships, and aspirations as a school community.

We believe in **Respect**—for ourselves, for others and for the world around us. We promote a culture where everyone is heard, differences are celebrated, and kindness and understanding shape our daily interactions.

Kindness is at the heart of everything we do. We encourage our pupils to care for one another, to act with compassion, and to contribute positively to our school and wider community.

We foster **Resilience** by empowering children to embrace challenges, learn from mistakes, and develop the confidence to persevere. We support each child to become a determined and independent learner who is not afraid to try, reflect and grow.

Honesty is essential to building trust and integrity within our school. We encourage openness, fairness and responsibility, ensuring our pupils understand the importance of being truthful and accountable in all that they do.

Through **Aspiration**, we inspire every child to aim high and believe in their potential. We set high expectations for learning and personal development, nurturing ambition and a lifelong love of learning.

Finally, we value **Connection**—building strong relationships between pupils, staff, families and the wider community. We recognise that a sense of belonging and collaboration is key to supporting wellbeing and success.

Together, these values shape a safe, supportive and ambitious learning environment where every child at Ghyllgrove Primary School can flourish and achieve their very best.
